## The Coronation

2023 BULLION COIN RANGE

This exclusively designed bullion coin range marks the coronation of His Majesty King Charles III. Designed by British sculptor Martin Jennings, the first crowned coinage portrait of His Majesty The King, which received the monarch's personal approval, appears on the obverse of the coin, whilst the reverse features a design by John Bergdahl that depicts His Majesty's royal cypher.

Expertly struck and produced to the unrivalled level of quality and craftsmanship that The Royal Mint is known for around the world, this bullion coin range captures the opulence of this historic coronation.

Each bullion coin in this range will only be available in limited mintages.
