

The Sovereign

2025 BULLION COIN RANGE

With a legacy that dates back more than 500 years, The Sovereign is one of the world's oldest coins that remains in production to this very day and is considered within the numismatic community as the 'chief coin of the world'. A signature release of The Royal Mint, the annual coin is a sought-after piece that holds a special place in the world of numismatics and is highly respected by collectors.

Blending tradition with innovation, the 2025 bullion edition of The Sovereign holds the unique distinction of being the final edition of the coin to be struck in rose gold. The range includes The Sovereign, and Half-Sovereign, each featuring Benedetto Pistrucci's iconic St George and the dragon design on the reverse and the official coinage portrait of His Majesty King Charles III, designed by Martin Jennings, on the obverse of the coin.
